Decision No.: Judicial Court 2022 – 1

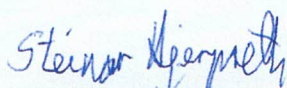

Re: Members of the Judicial Court: BoD 2001 Supplement - §537.32.e

Facts: The Bishop informed the members of Judicial Court June 2020, that the restrictions about ineligible member to serve in the Judicial Court has not been present in the following BoD ... without any decision in the Central Conference. The question is: Is the forgotten paragraphs still valid?

Analysis: No CC-decision has been taken to withdraw the restrictions.
It appear to be due to a simple oversight.

Ruling: The paragraphs is still valid.
The Court suggest, that CC is asked to confirm this at the beginning of its next meeting and is added in the next BoD Supplement.
